Mission Statement:

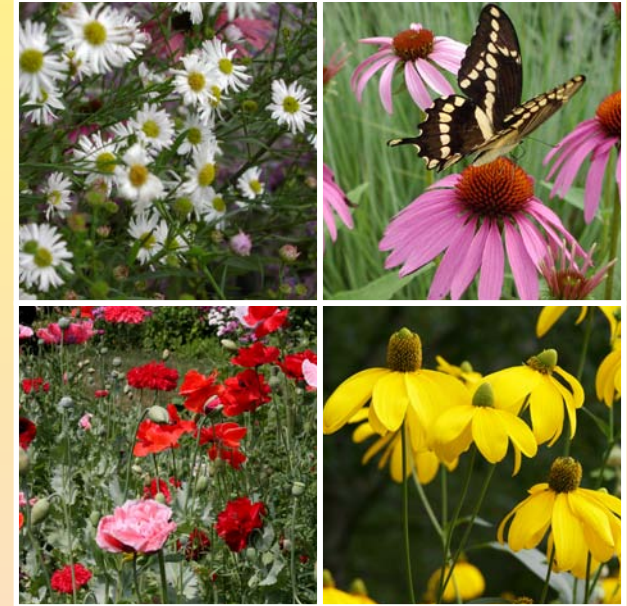

“To sustain the character, history, and beauty of our natural surroundings through aesthetic, spiritual, and environmental initiatives that enhance the quality of life for our community.”

Red Wing in Bloom was formed in October 2007 when the City of Red Wing entered the America in Bloom beautification contest. After Red Wing won their population category and the Environmental Award for all competing cities, the committee decided to form a non-profit foundation so that they could continue their mission to beautify Red Wing.

Since then, Red Wing in Bloom has been busy working on many beautification projects in addition to supplying the plants and helping to design the Colvill Discovery Garden. Another ongoing RWIB project is the planting of over 600 trees, evergreens, and shrubs along all the gateway highways into Red Wing.

In May, 2007, a committee was formed to build a universally accessible playground and Discovery Garden at Colvill Park in Red Wing, MN. The ribbon cutting ceremony for the playground was in the fall of 2008. The Discovery Garden’s construction began in the spring of 2009 with completion scheduled for the summer of 2009.

Located at Colvill Park
Red Wing Area Universal Playground
510 Nymphara Lane • Red Wing, MN 55066

Support future projects of the non-profit RWIB Foundation by sending your tax deductible donation to:

Red Wing in Bloom Foundation

Red Wing, MN 55066

* If you would like a Tax Deductible Receipt, please indicate that on your check.

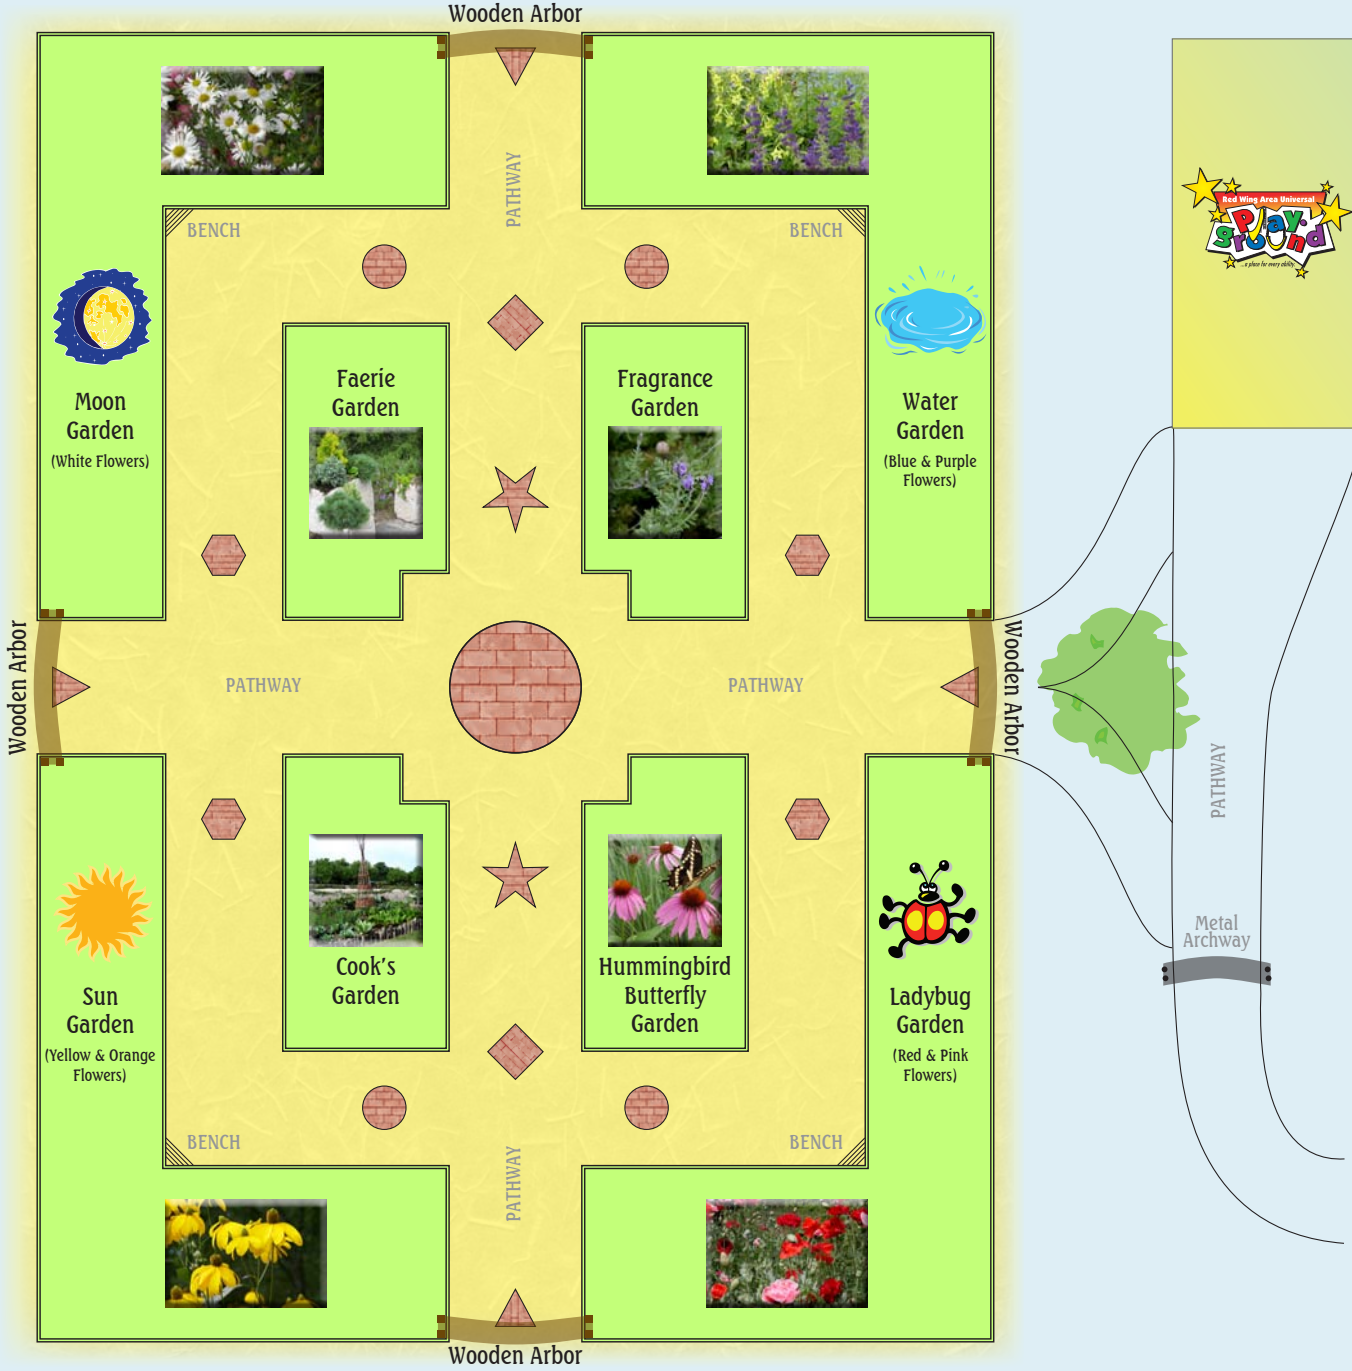

Universal Playground Equipment

Mission Statement:

The Discovery Garden will be an inspiring space for children of all ages and abilities to explore and learn in a natural setting.

The Discovery Garden is located next to the Red Wing Area Universal Playground in Colvill Park. The garden is a wheelchair accessible raised-bed garden for children and people of all ages who are welcome to enjoy the sights, sounds, and smells all year long.
